Teaching: 1 Deeper Issues in Healing

Summary

We welcome you to: Module I (DVD 4) Teaching 1. C School Online Schools on: Deeper Issues that may arise when praying for Physical Healing. We will be looking at Emotional Healing –Interviewing the heart. Spiritual Healing. Inner Vows, 'in a how to do it approach!' The Interview. Being led by the Holy Spirit and connecting those being prayed for with Jesus's forgiveness.

Hello I am Michael Powell from Sea of Galilee Training

a check on progress and a looking for deeper issues, by re-

God's Word is my Sword

Deuteronomy 5:16 Honour your father and your mother, as the Lord your God has commanded you, that your days may be long, and that it may be well with you in the land which the Lord your God is giving you.

Schools, I welcome you to Module I (DVD 4) Teaching 1, C School. We are focusing on: Deeper Issues that may arise when praying for Physical Healing. Note: This is just one way of approach in bringing healing to the whole person! The Father, Son and Holy Spirit are unlimited in ways to bring healing to people's hearts.	
Emotional – Inner Healing – Interviewing the heart and A wound upon a wound! In Module 1 Teaching 2. A School (DVD 1) I mentioned praying healing for 'Eve' for RSI in her arm. (Please refer back to it!)	
We prayed for a few minutes but there was no change and from our training in Elijah House Prayer Ministry I felt to ask Eve if she had ever hurt the arm previously. (An earlier wound could be affecting the current problem of RSI; holding it in place!)	
This was a Word of Knowledge or prompting from the Holy Spirit in the course of this ministry session. It was also

interviewing.	
Our Prayer Selection for Physical Healing was now moving to the other three areas of healing prayer. Emotional-Inner Healing, Spiritual, or Salvation.	
"Eve; did any traumatic thing happen to you, or your arm prior to the pain starting, even some years ago?" (This is interviewing her heart, stirring her memory.)	
"Now that you have asked; I remember when I was a teenager that I fell off my horse and broke that arm. I was all on my own out on a country road, there was nobody around to help me, it was terrifying!"	
"What have we learnt now? What underlying entities could be involved? What types of prayer will now be needed for a wound on a wound?"	
Inner Healing for her wounded heart:	
Also for the root cause of pain in her arm, the tension in the cells of the bones, ligaments, muscles, sinews, skin locked up by shock and trauma. Also fear and terror of being hurt and alone. (Caused by falling off the horse.)	
(Also Inner Vows! Which are Statements made into the heart that she has believed as her truth and lived her life by them.) "There is nobody to help me!" Plus Forgiveness of self, for any self-blame.	
Prayer Selection is:	
The ministry of Inner Healing - healing of memories, breaking the power of shock and trauma, commanding that they release all that they are holding and have locked up to Jesus as the Holy Spirit illuminates the actual memory picture containing all the pain, hurt, shock and trauma.	
How do we do this?	
God is not only Love, but Omnipotent, Omnipresent and Omniscience, all-powerful over all, in all and through all. All knowing. The same yesterday, today and forever. No moment of our existence on the earth is hidden from Him. He is present to us through Jesus who is God incarnate; outworking through His Spirit – the Holy Spirit.	

Here is a key revelation for Inner Healing.	
He can touch any moment of time in our lives, revealing the memory picture of the trauma, shock, pain or hurt that we carry in our hearts, some of which may be hidden from us due to amnesia.	
An example prayer of Inner Healing to the Holy Spirit could be:	
"Eve just relax! Do not pray in tongues or out loud; just receive."	
"Holy Spirit would you shine your light of truth and love into Eve's life right back to the time when the young girl was thrown of her horse breaking her arm, experiencing pain, hurt, shock, trauma, fear, terror of being alone.	
Nothing is hidden from you Lord, it is all laid out before you, all of her life. You can touch any moment of her life, past present and future."	
Once the connection is made with the accident and she can see it in her memory, or spirit; pray;	
"Holy Spirit would you invite the Lord Jesus to come to this young girl in the midst of her pain, fear, shock and trauma?"	
"Thank you Jesus! You love her. You were there." – "Eve Look around now for Jesus. Nod your head when you see Him." (Pause and watch her features and body language.) Jesus loves to come and heal.	
"What statements do you hear the girl within you saying?"	
"I need help and there is nobody here for me! I should not be here."	
"How would you answer Eve Jesus?"	
It is most important that we listen very carefully for any change of voice, emotion etc. as these indicate what is going on inside Eve. It is an act of trust and faith for the Prayer Minister to ask Jesus to answer Eve. Jesus just loves to do the ministry. Learn to trust and work with Him.	

Eve, the young girl from within the adult had spoken out an; 'Inner Vow' that she had planted into her heart at the time of the accident. (The voice was of a young girl not the adult Eve!)	
Also she added a statement of guilt. 'I should not be here!'	
"What is He doing now Eve?"	
"Jesus is here! I can see Him. He is holding me in His arms reassuring me. His hand is on my broken arm He is healing me! He is now helping me up and putting me on my horse so that I can ride home! I never thought that Jesus could be there and that He would take the time to heal me! It's a miracle!"	
Praise God! It is a wonderful moment when Jesus comes supernaturally and works a miracle of healing internally that completes the healing for Eve's arm.	
But the Prayer Minister still has work to do. We go on to complete the session with further prayers as follows.	
Example thanksgiving, inner healing and cleansing Prayers.	
"Thank you Jesus for healing Eve's arm back there and right through to today taking all the fear, shock, trauma, RSI strain and fatigue right out of Eve's body's cellular memories, her mind, soul and spirit.	
Thank you Jesus for setting her free, washing her clean with your blood and the water from your side. Amen!"	
Ask her to pray a prayer of thanksgiving to the Lord! It will also show you where she is at in her faith and this healing!	
Now we go Deeper with the Interview:	
"Eve, it seemed that you were in the wrong place at the wrong time?"	
"My father said do not go riding on that Road it is dangerous, you will fall off and hurt yourself!"	
What do we learn from this part of the interview?	
Disobedience, dishonoring her father, Rebellion, for starters.	

What is the Prayer Selection that we would use here? Spiritual Healing, - Repentance/forgiveness to be received and given. (Reconciliation for Catholics.) I recommend that they receive the inner healing while they are present and then go to reconciliation. Eve needed help to understand her need to forgive. I preceded as follows: "Eve, do you want to get right with God? Do you feel that you need to ask your father's forgiveness for disobeying him?" "You know what the Lord's Prayer says; In Matthew 6:12,14-15 forgive us our trespasses as we forgive those who trespass against us, For if you forgive men their trespasses, your heavenly Father will forgive you. But if you do not forgive men their trespasses, neither will your heavenly Father forgive your trespasses." "Also the 4th/5th Commandment says in **Deuteronomy 5:16.** Honour your father and your mother, as the Lord your God has commanded you, that your days may be long, and that it may be well with you in the land which the Lord your God is giving you." "Now Eve, could you see yourself standing before Jesus at the Cross of Calvary? Please nod your head? - Yes! That is good! Do you want me to lead you in a prayer of forgiveness? -Yes." Example Prayer of forgiveness. "Lord Jesus Christ I come to you at the Cross where you took all my sins into your body and brought them to death. I ask your forgiveness for dishonouring my father's authority over me and disobeying him by riding on the Road he told me not to go on. I also have offended against you God by breaking the 4th/5th commandment. Please forgive me Jesus, and bring it all to death in me and in Dad. Thank you, Jesus. Amen." The commandment above - Honouring our parents

in Deuteronomy 5:16 is the first commandment with a promise; "that your days be long in the land which the Lord your God gives you." (It is the 4 th Commandment for Catholics and 5 th for Protestants.)	
Once law is broken there are consequences. In each way we dishonor our parents it will not go well for us in life. We reap what we sow!	
Now get Eve to forgive herself for what she brought on herself by being disobedient to her father. Get her to end with I love you Eve.	
We will have more on Inner Healing in later Teachings/ DVD Segments.	
For Ministry Get into groups and pray for each other.	
Think about how you may have dishonoured your parents;	
particularly in your heart. Ask the Holy Spirit to come and do the ministry in each of you.	
You just follow what He is doing by asking what is	
happening every so often. Be patient He loves to do it. Then repent. Forgive and receive forgiveness.	
Practice this among yourselves. We have seen hundreds of people healed using the above method God bless you! -	
Please read. Matthew 7:1-5.	

Scriptures.

Matthew 6:12,14-15, forgive us our trespasses as we forgive those who trespass against us,	
For if you forgive men their trespasses, your heavenly	
Father will forgive you. But if you do not forgive men their trespasses, neither will your heavenly Father	
forgive your trespasses.	
Deuteronomy 5:16. Honour your father and your	
mother, as the Lord your God has commanded you, that your days may be long, and that it may be well with you	
in the land which the Lord your God is giving you.	
1Corinthians 12:12. For as the body is one and has many members, but all the members of that one body, being many, are one body, so also is Christ.	
1John 2:16. For all that is in the world—the lust of the flesh, the lust of the eyes, and the pride of life—is not of the Father but of the world.

Module:1 Teaching:1 Deeper Issues in Healing Homework Questions

5. What would you say to yourself if you recognised the need to forgive yourself?
6. What is the key revelation for Inner Healing?
7. Have you dishonoured your parents, or guardians by disobeying them or being involved in ungodly behaviour, which in most cases dishonours them? (List out for yourself what you need to deal with.)
8. Now if you have a list, try bringing it to Jesus at the Cross of Calvary, ask His forgiveness
and also bring your parent, or guardians as well, placing them in Jesus Hands and asking
their forgiveness. Thank Jesus. Bless your parent/guardians, and forgive yourself.) Again let
us know how it went for you. Did you have any difficulties?

A special welcome to Module 1 Teaching 1. C School which is about releasing you into prayer ministry action! We start with an Inner Healing example.	
We thank all of you who have persevered and arrived at our C School Module 1 Teaching 1. Which is an example of a way of praying for Issues affecting all of how we are made up of spirit, soul and body. Three major parts, but one body. We are like the Body of Christ; many Churches making up the Body of Christ on earth. 1Corinthians 12:12. For as the body is one and has many members, but all the members of that one body, being many, are one body, so also is Christ.	
We recommend that you read the whole of Chapter 12 of First Corinthians slowly and more than once as it so important to understand the synergy and the way St Paul links the need for a holy and right order in Spiritual Gifts, our human body, soul and spirit, to Christ's body in the Church on earth, all made up of many parts but one body holy and righteousness unto the Lord! —	
But are we? No! There are Schisms, divisions, bigotry, criticism, rivalry from one Church to another. Plus Pride of position, competition, judgmentalism, splits, leadership struggles, sexual abuse, rows, etc. within our Churches that make up the Body of Christ on earth.	
Now we come down to the Human individual and our Teaching above!	
Brothers and Sisters. Not one of us is perfect, because we are born with a sinful human nature and live in a fallen world where we all struggle with the world, the flesh and the devil. St John puts it this way in: 1John 2:16. For all that is in the world—the lust of the flesh, the lust of the eyes, and the pride of life - is not of the Father but of the world.	
Were our parents perfect parents? Did they make mistakes while learning how to be parents? Were they always there for us? Did they hurt us, or fail us? Did we see God in our parents?	
Now what about us, are we perfect specimens, in fullness of health, soundness of mind and heart? Pure and holy before God? Is our love tank full? Are we fully at peace with God and our world?	

Nearly all of you will agree with me and say no; I am not there yet. But I have decided to follow Jesus. He is Lord of my life. I have been baptised in the Holy Spirit into the Supernatural life and Gifts of the Holy Spirit. But, I still have these issues of doubt, sicknesses, disease, pains, hurts etc.	
This brings us to the core of our teaching Deeper Issues in Healing.	
Eve was in this category. It was just a straightforward healing request of pain in the arm to pray for! When nothing immediate was happening at the first check on progress. The Holy Spirit prompted the question to ask if there had been any traumatic damage previously happen to her arm?	
That question took Eve from the external issue of the pain in her arm into her soulish area of mind, will, thoughts, feelings, emotions, imaginations, into her stored memories in her heart. – She suddenly remembered her accident as a teenager of falling off her horse and breaking her arm.	
Our minds feed into our brain an accumulation of information which is collected from a number of sources that come from our five natural senses. Plus what is stored in our hearts at the seat of our personality.	
Also from our imaginations, conscience and life experiences of how we judged those experiences. Our brain then moulds and shapes it all and helps us in what to say. Then we instruct our body what it is to do.	
Where there has been an accident there is quite often shock and trauma involved. Which locks the body and emotions up into a memory that in turn gets locked down so the person can continue to live and not die, This is a natural response of our systems, and internal structure working together to protect the life of the person.	
It is why people quite often after an accident say. "I do not remember how it happened!" It now maybe stored in their deep mind and locked away down in their heart area. The word 'Amnesia' was mentioned in the Teaching and this is what it means. The natural mind does not have ready access to it.	
Shock and Trauma hold onto what they have in their hands. They sometimes have demonic demons holding	

them to not release or reveal the truth of what happened in the accident. They have to be commanded in Jesus name to release what they are holding, particularly for people who have been abused at an early age.	
But there is one area of us that does remember and does not lie about what happened, but is not able to speak. That is our physical bodies' hurts and pains! Our physical body memories remind us in varying ways, because 'The Memory' is still in the cells, the ligaments, muscles and bones reminding us of their woundedness. That ache, hurt and being sensitive to touch, etc.	
This was the case with Eve's arm; hence the term used of a 'A Wound upon a Wound!' Once that was recognised, we asked the Holy Spirit to invite Jesus to come. Jesus was invited in by the Holy Spirit who was shining His light on the memory picture. Now ready to be reshaped by Jesus coming and ministering healing back at the origin, source and beginning.	
Eve's arm was healed by Jesus back in the memory picture and in the present at the Healing Service. Why? Because God is not limited to time as we are. He can touch any x mark of wounding on our timeline, back there and right now in the meeting!	
In this teaching we have mentioned 'Inner Vows' which can be positive or negative statements lodged in our hearts. They are so strong that they will see us dead before they will let go. This is why they all need to be broken and given to Jesus at the Cross of Calvary. So that He is Lord of the whole of us. There is a saying that we are as only as sick as our secrets!	
An example of Vows that could be formed from our early childhood wounding experiences: I hate all men/or women. Or you carnt trust anybody! Or I will get even with you whatever it takes! Or Eve's – "There is nobody to help me!"	
Those types of vows can form a stronghold in our minds that cause us to get angry, revengeful or fearful when we get stirred up, or come into contact with certain people.	
How do we deal with this? - We repent, ask forgiveness and forgive those who wounded us by putting it all on Jesus on the Cross. We invite the Holy Spirit to come and break open the 'stronghold in our mind' and take it away and destroy it through the power of the blood and the Cross of Jesus. And then to build in us new Godly ways of thinking and relating	

to life and those people in the future. We forgive all who hurt us, bless them and release them into Jesus hands at the Cross of Calvary. Then forgive ourselves!	
We praise God for the gifts that He has given us and His willingness to come and heal!	
The ministry then went deeper with Eve, from physical and emotional healing, into Spiritual healing and forgiveness towards her father.	
Please do not miss this opportunity of learning how to minister to other's hearts, through Inner Healing! This is a one-off only Teaching, in the first three Schools, on how to apply the Lord's healing balm to wounded hearts and bodies. Do not let it be just another teaching to get through. Please go back and see yourself using the prayers, Scriptures and way of approach to bring life and love Into other's lives.	
May God bless you!
