Proverbs 18:21, Death and life are in the power of the tongue.

Prayer

May we all continue to be under the power and protection of the Blood of Jesus; as we invite the Holy Spirit to empower and lead us in this session; Praise you Jesus!	
We are now going to give you some instruction on how to deal with curses and items that have a curse on them.	
Worship of religious idols and ancestors can bring curses and demonic entities into our houses. People go overseas and come back with carved images, knives, tapestries with demonic symbols on them, totem poles and feathers, hideous statuettes, paintings that have had curses spoken over them and demonics attached to go with them and then things start to go wrong and they wonder what caused it.	
There is also the area of Free Masonry and other secret societies, plus false religion regalia, books, aprons, headware, rings, mugs, tokens etc.	
This is where the Gift of Discerning of spirits is needed. As you grow in the gifts you need to learn how the Holy Spirit reveals to you what is about and operating in places that you	

For me it can be a heavy, dead feeling. Ministry going nowhere. The person not able to receive truth, or respond appropriately. When there is witchcraft and occult spirits about I get a ringing in my ears. An uneasy feeling. We need to ask the Holy Spirit; what is going on?	
We then ask, have you or anybody else brought anything into the house or given you a gift, left something behind, or asked you to look after an item for them? It could be as small as a pin pressed into a cushion, or couch etc.	
Years ago I was asked by a lady to visit her as things were going bump in the night, relationships not good etc. sickness and accidents were happening in the house.	
I thought; they are under a curse.	
I asked what was going on and how long had it been going on for? She said ever since we moved up to live in this area.	
I then asked if anybody had given her an odd gift before she left. Her eyes opened wide and she said "yes!"	
"Just as we were leaving the property the lady next door came over and gave us a gift of a large crystal ball as big as a basketball."	
I said; "take me and show me." It was in a draw at the back of the house.	
"Do you know what this is? No;" she did not know. I said; "this ball is used by witches and mediums to connect with demonics to tell them about people; their pasts and demonic future. This is a witchcraft, occult item with demonics attached to it and has brought a curse upon you and this house."	
She said "I will take it to the tip. No! We need to smash it up. I do not want the wrong people getting their hands on it." I got a sledgehammer and hit it. It just bounced off. It took prayer and a long time to smash it into pieces. Then it went to the rubbish tip.	
Below is the procedure that we have used over many years of driving out demonics and breaking curses in and over houses and property.	
We prayed through the house blessing each room and cupboard, fireplace, chimney, attic, on top of the roof, the airspace and under the house in Jesus name.	
We Broke the power of the curses attached to the Crystal	
- -	

Ball Lifting them off the family, along with words spoken,
any rituals and incantations made, sending them to Jesus to
the place He sends them to. In Jesus' name we bound up all
demonics present and commanded them to go to Jesus; to
the place He would send them to.

We used blessed water, sprinkled it around and put blessed oil on all the windows and doors sealing them up with the blood of Jesus. Peace and harmony came back into the house and that house became a home unto the Lord! They were free!

Finally we blessed the boundaries and sealed the gateway with the blood of Jesus commanding that all demonics go; never to come back and there to be no backlash to any of us, our families, houses, possessions, cars and animals. We blest their cat; the gardens, garage, sheds etc.

As in Salvation, Healing and Deliverance, breaking the bondage of a curse often involves the ministry of another person; but a curse can be broken in the name of Jesus Christ by the person who is under it. If that is you; Spiritual cleansing and preparation is important. Some suggested steps are:

- 1. In Jesus name: Repent of all rebellion and sin in your life.
- 2. Ask and claim forgiveness for all your sins.
- 3. Forgive and bless everyone who has injured you in any way.
- 4. Renounce all contact with anyone or anything occultic or satanic.

Then pray for the breaking of all curses and healing of any inner wounds resulting from the curses and receive in faith what you have asked for. Some people say that we should ask God/Jesus to break the curse. Others say that we have the authority in Jesus name to break curses. A suggested ministry prayer could be:

Father in the name of Jesus Christ by the power of the Holy Spirit would you empower my prayer to cut all curses off...

Or. In the Power of the name of Jesus Christ and in the Authority of His name, I cut the bands of all curses on you, over you (and your family) and lift them off you by the anointing of the Holy Spirit. In the name of Jesus Christ I further break the power of all words spoken against you, or over you; deeds done and incantations made in the mighty name of Jesus Christ.

More on ourses	
I further bind up and cast out all demonics attached to the curse. Be Free in Jesus name. I now bless you with all the blessings of God and ask the Holy Spirit to take the ground and seal it up with the Blood of Jesus within your spirit, soul and body! Amen!	
If you are in a safe place with others to help you and you are aware of possible curses over you; you could wind the DVD back and speak the prayer above out in faith from your heart believing that Jesus has taken it and broken its power and has given you authority to use His name; then renounce the curse by praying through the prayer.	
You are not under condemnation; but an ambassador; more than a conqueror, with authority in Jesus name to Bind, Loose and Cast Out. Romans 8:1, 37. 2Corinthians 5:20. Matthew 18:18. & Matthew 10:1	
This should be followed by prayers of inner healing to any wounds and damage to your, or other's emotions and heart.	
If our ancestors have been involved in Idolatry of worshiping false gods in temples, been in gangs, Freemasonry and secret societies, or a satanic cult where vows dedications and oaths have been made, curses can come down the family line.	
Also they may have sworn secrecy vows of the organisation's activities and broken their vows and now are subject to cruel punishment, even death. They put themselves under a curse.	
This is similar to a curse laid with intent by a witch or a witchdoctor to bring about illness, disaster, death or specific harm on an enemy or a client's enemy. It is intended to operate regardless. It may include placing a hex, casting a spell, or charm etc.	
Angry neighbours can curse each other. This can increase to whole clans. Then there are loose words and statements that have been spoken over us by our parents and others or we have spoken over ourselves, that may act as a Word curse.	
"You can't do anything right! You are just plain stupid!"	
"You'll never amount to anything! You'll never be able to hold a job!"	
"You'll probably be sick all your life! No one would ever want to marry you!" And so on!	

If those sort of statements lodge down in a young person's heart; it can then act as a curse and they find themselves

believing the words as to who they are and in turn speak them over themselves as Word Curses.	
Also in loose self-statements. "I get sick every time I think of them."	
"I would like to die! I am scared to death of being poor." Etc.	
Brothers and sisters, Death and life are in the power of the tongue. Proverbs 18:21.	
Breaking loose Word and self- Curses or One Resulting from One's involvement in satanic occult activity. Such as making careless statements; or making a satanic contract, one should go through the preparatory steps mentioned by Derek Prince, above and below then address the following items in the name of Jesus.	
Our advice is please get someone experienced to pray over you.	
All careless, or loose statements must be renounced.	
Any vow not to engage in certain conduct must be renounced.	
Any vow to the secret society or satanic society must be renounced.	
Membership in the secret society or in the occult organisation must be renounced. All rights given renounced.	
The curse/s spoken over one's-self must be renounced.	
The satanic vow and/or contract must be renounced.	
If ancestral iniquity is involved it must be repented of.	
All of the above renounced in the name of Jesus Christ.	
Then the person under the curse must repent of his own conduct and ask and receive the Lord's forgiveness. After he has done this, the prayer minister can break the power of the curse in Jesus name and cast out all demonics.	
Next Inner Healing is prayed and sealing up with the blood of Jesus with all doorways and points of entry closed.	
Ancestors; satanic people cut off.	
Instruction given to the person so that they can hold their deliverance and healing.	

Ministry	
Discuss this teaching and how it might apply to you, your family and house.	
You may want to check out some items that you have in your home and make sure that all is clean, unto the Lord. Amen!

Additional Teaching Instruction Methods	
Welcome to Module 1. Teaching 3. C School Online Schools – Recognising and Releasing People under Curses.	
Perhaps you might be saying; "but do I have authority and the power to break curses?" the short answer is Yes! Scripturally you have it! As a believer in Jesus Christ, baptised in the Holy Spirit you have the authority and the power. Particularly in your sphere of authority such as your own home etc.	
But within our various Churches and Fellowships it may be reserved to the work of Priests, Pastors, Ministers, Elders and approved specialist Prayer ministers so that things do not get out of hand! We are called to be obedient to our lawful authorities in the Church.	
Home groups, prayer groups, are quite often where the teaching is given and we learn through the apprenticeship way by assisting people who are experienced in breaking curses, deliverance etc. Then progressively allowed and approved to pray for others.	
Seminars, and Conferences are another way of 'seeing' and learning how ministry is done. 'More is caught, than taught!' Why? Because we have the Holy Spirit within us who teaches us what to do; to heal as Jesus healed. John14:16-17.	
For me personally I was totally led by the Lord through the Holy Spirit under His anointing as we did not have any experienced people initially. We bought books and read them to gain more understanding.	
We also asked people with experience from other centres and Denominations to teach us as well.	
One early experience for us in seeing the Gift of Discerning of spirits at work was in our own home. We had an Airforce Padre visit us, and as we sat praying he suddenly said: "I sense the Lord showing me that you have a book in this house that does not honour God." We were mystified about this. He got further discernment from the Holy Spirit. "It is a book about the early Romans!"	
Yes he was right, I saw it in a Bookshop and bought it thinking it would be good to have greater insight as to what they did back in the early centuries in their customs and	

parties etc. I said; "what do we do with it?" He said; "burn it!"	
We did! We took it outside of the house and burnt it. It burnt with quite interesting types of flames. We have found some people are reluctant to burn or destroy expensive idols etc. from other Countries. It is the Scriptural Principal to do so!	
Have I experienced being cursed? Yes! It is not pleasant. The first big one was from a Maori man; a father of nine children who was trying to seduce a simple naïve young woman in our prayer group. I refused to let him come with her to a party in our home.	
He immediately on the Wednesday night went off into the forest and laid a curse on me. By Friday I was in bed with a violent fever and my head was feeling as though it was going to burst open, with tight bands of pressure around it. I could not understand the suddenness of these symptoms.	
My wife Peggy was praying for me. She came in at 1pm. and said; I think it is a curse! As soon as she said it. I knew that is what it was. I immediately prayed a prayer similar to the one in the DVD Teaching.	
Peggy anointed me with oil and took authority over the curse in the authority of the name of Jesus; broke its power, cut the bands around my head with the sword of the spirit, prayed release and cleansing, peace and harmony, to return to me.	
It was now ten past one pm. I then prayed for whoever layed the curse on me for their salvation; and blessed whoever it was, and forgave them.	
I was free! Out of bed within the hour.	
The next day we had a call from the young woman to say that the man had called her to say that he had laid the curse on me and to complete it he was going to take his own life as a sacrifice to empower it, but he found he just could not go ahead with it.	
He told her that it was at ten past one pm. Friday afternoon that he gave it all away. Our blessing, forgiveness, and releasing him to Jesus broke the power of the curse, and saved him from suicide.	

You might be thinking that; 'a curse without a cause
cannot alight.' So what allowed it to land on me? Many
years later a big factor of the doorway into my life
was revealed. It was the descending family curses of
Freemasonry.

Years later the Lord revealed to me that my ancestor on my mother's side who was a grandmaster in Freemasonry had dedicated all his descendants to the false gods of Freemasonry. – May God bless you.
